

KAMPUNG SENANG WHEELS OF HOPE-

Giving Hope and Improving Wellbeing

Kampung Senang is an IPC established since 1999. **Wheels of Hope** projects encompass 5 Community Charity Projects serving lonely elders, needy sick, and adults and children affected by cancer or mental deficiencies. Our Wheels of Hope team helps the community by **"Giving hope and improving wellbeing"**.

Day care for Elder (日间托老中心)

We run day care centres for elders and students which are located next to each other in Tampines. Our centres are unique in that they provide the opportunity to experience holistic intergenerational care and enjoy healthy organic vegetarian meals.

TCM Clinic (施医施药)

We run a TCM clinic staffed by experienced volunteer TCM professionals. Consultations, treatment and good quality medication is provided free of charge to needy people in the neighbourhood.

Mobility Aids and Training Centre (行动辅助器服务与维修中心)

In order to reach out to the sick and needy, Our Mobility Aids Centre works closely with social workers of community hospitals and Tan Tock Seng Hospital. Today, more than 3000 families are loaning & using our wheelchairs & hospital beds services.

Cancer (HSPC) support Team (癌症病患的扶助团队)

We also do our best to improve cancer patients' wellbeing by providing organic vegetables or fruits through our Gift of Good Foods Scheme. Our 60 volunteers visit cancer patients every Saturday bearing organic foods, providing emotional support, counselling, and healthy living advice. More than 1,600 cancer patients, young and old, are registered with our Holistic Support for Patients suffering from Cancer (HSPC) Support Team. Our counsellors and support group volunteers also visit cancer patients the patients & at home .

Some children suffering from brain cancers have to taken out one of their eyes to preserve their lives. They need extensive material and mental support to grow healthily & prevent relapse.

There are many people of different cultures and age groups living in our HDB neighbourhoods suffering from chronic illnesses. They require healthy and chemical free foods, mobility aids, and hospital beds to recuperate and live on.

You can make a difference in the lives of many people by joining us in giving hope and promoting wellbeing. All your regular donations of cash or GIRO are managed by professionals who are dedicated to serving the community with love and gratitude.
